# KELLY

When the thirst for sexual release struck, Kelly went with it and slipped right out of her clothes. Underneath was a very sheer fishnet bodysuit, form fitting with a hole cut just the right size to display her holes. Without stripping down further, she slipped her hand there to show us how wet her pussy was.

## DIRTY DOUBLES

The doubles tennis match ended favorably, my cue to relax as the players converged at the net to shake hands. Sitting in my elevated umpire's chair, my eyes concealed behind dark sunglasses, I couldn't help but smile.

Thankfully I hadn't had to bend the rules a single time. There had been no debatable calls which could have gone either way, no controversy to speak of. In essence, I hadn't had to betray my status as a pussy whipped, crooked umpire.

Of course I was both of these.

But today's losing duo wouldn't have known it. They had lost the match fair and square, beating themselves with unforced errors and generally uninspired play.

Still, I would get my reward.

The victors, Karen Turner and Heather Howell, always kept up their end of the bargain. That the match hadn't required me to make questionable calls in their favor—something I had done in countless other matches—was immaterial.

A deal was a deal.

I climbed down from my chair as the players vanished into the women's locker room. A fairly large crowd had attended the country club match. I stood courtside, watching the spectators file out of the small stadium in an orderly fashion.

It wasn't long before the bleachers were empty.

I waited until the losing team, freshly showered and clad in the latest casual wear, emerged from the locker room and headed to the clubhouse before making my move. Purposeful strides carried me across the court.

Karen and Heather would be waiting for me.

"Congratulations!" I was all smiles when I joined them in the locker room. "You two played a fantastic match!"

Karen and Heather responded with false modesty. They were good tennis players, damned good, and knew it. I often wondered why they had ever approached me requesting preferential treatment in exchange for sex. All I could figure was that the highly competitive trophy wives didn't want to leave anything to chance.

They were accustomed to winning on and off the court. Losing wasn't an option.

Karen, looking hotter than ever in her short tennis skirt, regarded her similarly clad teammate. "I don't know about you, Heather, but I was horny the entire match."

Heather laughed. "You're such a slut, Karen!"

"Guilty as charged," Karen remarked.

I enjoyed listening to their playful banter. Karen and Heather had been friends since college. Their husbands, both inattentive workaholics, knew nothing of our arrangement. Hell, neither of them had even bothered to attend today's match. It was no wonder that their wives had sought sexual fulfillment elsewhere.

That they had chosen me, a tennis umpire, was a testament to their shrewdness. Pardon the cliché but they were killing two birds—winning and fucking—with one stone.

And I was the stone . . .

Heather, her skirt hiked above her slen-

der hips, her panties on the locker room floor beside Karen's, had an amazingly tight pussy. Her tits, having been liberated from the confines of a sports bra, were perfect half-melons.

She lay atop the trainer's table, her toned legs wrapped around my waist, as I stood there and thrust repeatedly, driving my cock into the snug depths of her blueblood cunt.

Karen sat nearby on a wooden bench parallel to the lockers; her skirt, too, had been raised above her hips. Her bronze thighs parted, she played with her pussy while watching me fuck her doubles partner.

My focus was torn between each spectacular tableau—Heather splayed beneath me, her tits bouncing

in tandem with my thrusts, and Karen panting as she plunged three fingers inside her gaping pink gash.

"Stick it in my other hole, baby," Heather said to me. "I want that big cock of yours inside my dirty ass."

I knew where this was heading.

A prime destination, you bet.

I withdrew from her pussy and pressed my swollen glans against her starfish. Heather pushed her hips forward, ever so slowly, working with me as I entered

her backdoor. Her asshole, no stranger to my cock, yielded nicely as I started humping away.

This made Karen hotter than ever; she spread her legs wider and moved her hand faster, calling her friend a "filthy rich whore" who "loved taking it up the ass."

Karen's dirty commentary, in conjunction with Heather's tight bung-hole, pushed me precariously close to the edge. My cock was ready to explode. I pulled out with the intention of blowing my wad all over Heather's taut tummy. But Karen had other ideas.

She rushed over and, crouching before me, took me in her mouth. Whipping her head to and fro, her lips cinched around my prick, she sucked me to completion, swallowing every last drop of a rather large load.

I failed to mention that my choice gig at the country club is strictly part time. I have a day job; it's boring and dull but pays well. And, to be quite honest, I don't think I could handle being a fulltime tennis umpire.

Karen and Heather would surely fuck me to death!

— Jackson M., Myrtle Beach, SC

## ROD AND REMEDY

"I sure would love to show you my rod," said the one on my left.

"Likewise," added the one on my right.

They chuckled and worked on their beers. Sandwiched between the two of them, I shook my head amusedly and took another hit of my vodka tonic. I had certainly heard worse lines. And it made perfect sense. After all, they were semiprofessional anglers.

The hotel bar was filled with others of their ilk. The annual bass tournament was in full swing, attracting competitors from all over the country.

I couldn't care less about fishing. I had picked the bar at random with no knowledge whatsoever of the tournament. The comedians bracketing me at the bar had told me all about it, and then some.

Their lewd humor didn't bother me. Hell, I was immune to that sort of thing. My job had hardened (pun intended) me to such language. As a freelance writer of sex letters for a slew of dirty magazines, I must've known a bazillion words for the male genitalia.

I preferred "pole" to "rod" but kept this to myself. They were nice guys, cute, and I didn't want to seem like a bitch.

See, I had come to the bar hoping to get lucky.

This was my standard routine when suffering from

a bad case of writer's block. A good hard fuck always solved the problem. Don't ask me how. I have no idea. But getting pounded was my reliable remedy for the insidious malady which plagued those in my line of work.

Of course I had tried everything under the sun: booze, pot, coffee, cigarettes, meditation, tai chi, yoga, you name it. None of that had worked worth a damn.

Not being able to write was a terrifying prospect. My livelihood depended on my ability to produce material. I had deadlines to meet. If I couldn't deliver, the magazine editors would find somebody who could.

"So," I said to the one on my left, "what's stopping you?"

I had intended my comment to be a challenge to his manhood. This approach worked with most guys.

"Or," I added, "are you all talk?"

That did the trick. He bristled. "Excuse us, Clayton," he said to his buddy seated on my right. "Me and the lady here have some business to attend to."

"Oh no," I told him. "I want both of you."

Clayton, grinning from ear to ear, regarded his pal. "You heard her, Billy."

"I'm game if you are," Billy said.

I finished off my drink, paid my tab, and followed them to their room. Both beds were unmade. Dirty clothes were strewn about the carpeted floor.

"Come on, boys." I started to get undressed. "Don't be shy. Show me those fancy rods."

They showed them to me, all right.

And I was impressed.

Having removed their clothes, Billy and Clayton stood there, towering over my crouching form.

I grasped Billy's cock and pumped him with a deft stroke, getting him nice and hard as I engulfed Clayton. One cock in my hand, another in my mouth, I lowered my free hand between my legs.

I was sopping wet down there.

Moments later I had Billy's cock in my mouth and Clayton's in my hand. They must've felt like the luckiest dudes around. Perhaps, I thought, their luck would extend to tomorrow's tournament. Not that I care.

I withdrew my mouth from Billy's big dick. "What do you say? You two ready to pound this pussy?"

They breathed heavily as I dropped to the floor, raising my rump for a thorough reaming, and assumed the doggy position. The anglers didn't disappoint.

Billy went first. He moved behind me and lowered his knees to the carpet. Grabbing my hips, he skewered me with a single savage thrust. He fucked me hard, plundering my pussy with none too gentle thrusts.

Meanwhile, Clayton waited his turn. "There you go, Billy! Do her good, man! Pound that poontang!"

Finally a panting Billy pulled out and said, "She's all yours, Clayton."

Being relegated to sloppy seconds didn't bother Clayton in the least; he banged me with everything he had, which was quite a lot.

He picked up the pace, screwing me mercilessly as his breathing became more and more ragged. He was close.

"Come on my face," I told him, my words meant for Billy, too, who had yet to pop off.

I sat up, my knees remaining on the floor as they stood before me and jerked their pricks.

"That's it," I told them. "Stroke those cocks."

It wasn't long before they exploded, giving me a face full of sticky cum. I smiled through it all, immensely grateful for their combined load.

I drove straight home and belted out a sex letter. The process was effortless. My writer's block had vanished.

Thanks to a couple of horny anglers who had used their poles for something other than fishing!

In this house there are days when I get so bored that I almost go out of my ever loving mind. My husband's away for most of the day at his job, so he's often getting home late. I told him that this is not what I signed up for. I got pissed, then he got pissed and told me to 'work it out... So, I did!

# Hubby, His Ex & Me

A wife's story of an unusual threesome

*I could watch myself in the mirrored headboard of the bed. I had never looked better. At 32, I was shapely curved but firm, my breasts ripe and the nipples erect with passion.*

David and I had only been married a month and a half and we were pursuing our usual hobby. We were in our bedroom and David was on his back. I was squatting over his face, moaning contentedly as his tongue and lips caressed my swollen clit and juicy pussy. I was dripping cum in his face and he loved it.

I could watch myself in the mirrored headboard of the bed. I had never looked better. At 32, I was shapely curved but firm, my breasts ripe and the nipples erect with passion. From the speakers built into the headboard came soft music. In the mirror behind me I could see the large TV screen suspended from the ceiling.

I looked down into David's hazel eyes and smiled. "I'm so grateful to Stacy for all of this, honey," I told him softly.

He stopped nibbling on my clit, but I didn't mind. We'd have hours of lovemaking still before hunger would drive us into the kitchen. "You keep talking about my ex-wife as though she were your best friend," David complained. "You've never even met that evil redheaded bitch."

Stacy, David's first wife, had decorated the luxurious four-room condominium where we live. It was perfect, I thought; the first time I saw it (and got soundly fucked the same night), I told David I didn't intend to change a thing.

"I'm so glad," David had replied, a smile replacing the worry lines that had emerged when we began discussing redecorating. "I think it's great too. Stacy made this the sexiest bedroom ever."

I slid my dripping pussy back over David's mouth and ground it into his greedy lips. Then I shifted forward until his tongue was caress-

ing my puckering asshole and rimming my suppersensitive flesh until I came again. I sighed and slid down until I was laying on top of him, his cock hard and quivering against my belly. I kissed his cum-smeared lips and tasted my juices as he put his tongue into my mouth.

"Wait, David," I said, pushing away. "Do you want to come in my mouth, my pussy or my ass?"

He thought about it hard, and then brightened. "How about once in each hole? We'll start with your mouth, okay?"

I moved down while he raised his knees and spread his legs. That way I could flick my tongue along his inner thighs, and kiss and flutter my tongue over his balls. I picked them up and my tongue found his ass, fluttering around it and thrusting inside it. And then I went back to his cock. As I licked it I raised my eyes and watched myself in the mirror, his cockhead appearing and disappearing into my eager mouth. As I licked it like an ice cream cone, I thought again of Stacy and why David and she had been divorced by mutual agreement.

"She wanted an open marriage," David had told me bitterly. "I loved that gorgeous bitch more than anyone else in the world—until I met you. And she expected me to put up with her fucking any dude she happened to feel like fucking."

I could understand why David would object to that. I'd seen pictures of blue-eyed, blonde Stacy in a leotard, and her shape was amazing. The skintight, tissue-thin material outlined her boobs, clearly showing her nipples. Below, her neatly trimmed red bush looked like a soft little mattress, and the leotard clearly revealed that generous slit of her pussy.

"I always belong to you alone, honey," I'd assured him. At the same time I decided that he probably still loved Stacy and I didn't blame him for that. What a beautiful fucking machine she is.

As David shivered, his cock swelled and he spurted a cupful of jism into my eager mouth. I sucked every drop, and then lay back beside him while he used the remote to find a TV show we both liked. This time it seemed dull.

"How about that new porn flick you mentioned?" I asked. He flipped on the movie, and in a moment an immense cock was plunging in and out of a gaping pussy on the oversized screen. In seconds David's cock began to harden. I looked down and giggled.

"You see, that proves how much I love you," David laughed.

"It proves how much you like new pussy," I retorted. As I played with his dick we watched the beautiful girls sucking and getting fucked in every way possible. "Which way do you prefer it this time?" I asked as his cock rose to its normal throbbing size.

"I think a little back-door banging would be nice," David replied.

"Oh, goodie!" I said. "My second-favorite position!"

He slapped my ass for the terrible joke, and then I got on my knees parallel to the mirror and watched him position himself behind me. He slid the thick length of his rigid pole into my juicy cunt. Then he raised the purple knob until it rested against my throbbing sphincter and he gently applied the pressure. My ass resisted for a moment, and then I made it relax. I watched in fascination as his dick began disappearing, inch by inch, into my bunghole.

"Lovely. Absolutely, incredibly beautiful!" I heard a voice say. David? No, it was not David. His voice wasn't feathery soft or slightly breathless, nor did it come from the loveliest lips and sexiest smile I'd ever seen—mirrored right there in the headboard. I whipped around and stared into the sea-blue eyes of Stacy. David was staring too, as she smiled at us both.

"You never changed the locks, babe," she purred, jingling a set of keys. "I decided that

enough time had passed so I came by for a visit. How have you been?" Stacy winked at me, grinning.

"Do you mind, Annie?" she asked sweetly. "I mean, are you shy or possessive or anything silly like that?"

I knelt there with David's swollen cock deep in my butt; I blushed a little, but I also smiled back. We'd had every variety of sex we could think of except this: ass-fucking with his ex-wife there to cheer him on.

"Not at all, Stacy," I moaned, contracting my sphincter on that hard cock. "Just don't distract him until he finishes this..."

"Distract him, honey? I'll help," she replied. She moved over behind David and I watched in the mirror as she ran her fingers delicately up his thighs until she reached his balls. She fingered and caressed them, then bent down as her lips kissed each one of them. I felt him quivering at this exquisite caress and his cock grew even larger.

I had to see that fabulous body. "Your clothes, Stacy!" I said urgently. "Take them off—hurry!" I looked over my shoulder at my beloved husband.

"You don't mind, Anne?" he asked. "We can stop now and have a civilized drink together."

Stacy had unzipped her jeans and they were already half-peeled away from those fabulous hips. She paused, waiting.

"I'd rather have Stacy take off her clothes so we can have some uncivilized sex together," I said. Swiftly David's ex-wife slid off her jeans, revealing flawless legs and transparent-panties which she quickly slid off as well. In a moment her tank-top was on the floor and she was beautifully nude.

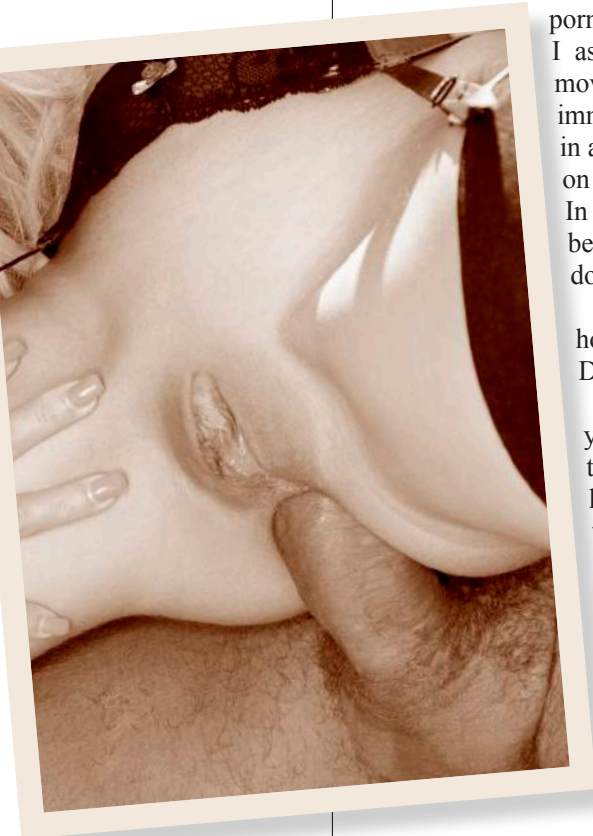

"You two go right ahead," she said cheerfully. "Where do you want me?"

I was staring at her fragrant bush and those flawless breasts.

"Up here," I said. "David is busy, but I want to look at you."

She crawled up on the bed and sat on her heels, looking at me. "You're beautiful, Annie," she told me softly. "I was hoping David would find someone as awesome as you are when I left him. May I kiss you?"

It was a strange request, and I would have refused any other woman, but Stacy was special. David had loved her, and he might still love her. I found myself falling for her a little myself. I leaned forward and pressed my lips against her lips, which opened slightly. I obeyed an urge to flick my tongue between her luscious lips. The kiss went on as she raised her hand, reached out and cupped my breasts. I felt a sudden fresh rush of passion from this caress

*My ass resisted for a moment, and then I made it relax. I watched in fascination as his dick began disappearing, inch by inch, into my bunghole.*

and I came, grinding my ass down on David's cock. He spurted a flood of juice and pulled his dick out, the thick jets of cum shooting up on my buns.

Stacy saw this and she was drooling. "Babe, I haven't tasted your cum in so long," she cried. "May I, Annie?" In a moment she was licking up the thick streams of jism off my back and my ass. Then, kneeling behind me, she spread my cheeks and her lips brushed my butt, her tongue licking away David's juice as she plunged deeper into my hole. I squirmed, feeling wild flashes of joy. Then I was shuddering through another wild orgasm.

Stacy sat back and smiled, her mouth shiny with love juices—both mine and David's. "It's been wonderful meeting you at last, Annie," she said. "All our old friends have told me how happy you and David are together."

I got up, stretching and letting Stacy see every detail. I got the weirdest feeling when she looked at me. Her eyes lingered on the little amount of hair I had let grow over my pussy. I had trimmed most of it leaving the remainder in a small heart-shaped patch.

"What a lovely pussy," she murmured,

reaching out to touch it gently. "May I kiss it?" She was kneeling and I was standing, so I moved toward her. I spread my legs wide, looking down at her thick, shining red hair as she buried her face in my crotch. The feeling as her ripe lips sucked and nibbled my flesh was fantastic. Then I pushed her face away and smiled.

"Let's go in and shower, Stacy," I suggested. "David can start dinner. All right, honey?"

David smiled at us. "Who could refuse two beauties like you anything?"

I slipped an arm around Stacy's waist as we walked through the living room and into the bathroom she had decorated. It has a deep tub, mirrored walls, a bidet/toilet and sink. It's so sexy! I faced Stacy and put my arms around her. Our breasts flattened against each other, our pussies rubbing, and we kissed. I pushed my pussy harder against hers, grinding and pumping, pretending my erect little clit was a man's cock. Stacy shuddered and thrust again

and again against me as she climaxed.

"Oh, sweetie," she breathed. "I've never done this with a woman before. Have you?"

I shook my head, putting my hand down between her legs and feeling the slick juices of her orgasm. Thrusting my fingers deep inside, then licking each one, I watched her blue eyes as she stared at each finger while I licked. "I never have, Stacy," I replied, "but I'm really into making love to you. Now, let's take a shower."

In the shower we soaped each other, her skin sleek and smooth under my hands. I turned her around, caressing her breasts with my hands and grinding my pussy against her ass. Then I knelt under the warm water pouring down as I tongued and nibbled at her swollen cunt.

We came out of the bathroom dry, fragrant and giggling. David was mixing a salad and delicious aromas came from the oven.

"Small steaks and salad with wine," he said, and then he paused to stare. He wore an apron, which gradually began to rise as his cock began to harden. "Anyone want to taste the wine?"

We both volunteered. He smiled, swept the apron aside, and dribbled a little vino on his cockhead. Stacy and I bent down to lick and slobber over his wine-soaked cock until it was fully erect.

We had a delicious dinner. Afterward we took David into the bedroom. Stacy rummaged around until she found a rubber sheet, which she put on the bed, then she and I went to work on David. "What now, Stacy?" I asked her breathlessly.

"Now I sit on his face while you suck his dick, and then we'll take turns," she said matter-of-factly.

"How does that sound, David?" Stacy asked solicitously. David just groaned as he looked at us in the mirror.

"I know. Fun, isn't it?" she said, as bounced up and down over his probing tongue. "Annie, now it's your turn."

I released David's cock from my mouth, and then squatted over David's face as Stacy took his tool into her mouth and began to suck in earnest. After a few moments of rest to allow David to recover, I got on all fours as David plunged his dick into my pulsing pussy while Stacy fingered his asshole. We sucked and fucked way past midnight. It was a night to remember.

Stacy comes by regularly now, and we ask David to sleep in the spare room while she and I make love to each other without him. Most times he comes in to finish us off with some hard fucking. No doubt it's a win-win situation for all parties.

*He smiled, swept the apron aside, and dribbled a little vino on his cockhead. Stacy and I bent down to lick and slobber over his wine-soaked cock until it was fully erect.*

But mostly I love to go to clubs and shake it there. I know that guys want to get behind a nice looking ass when they fuck me doggie style.

# KYLIE & VANITY

We were just at the mall and picked out these nice bikinis. We decided that these outfit's looked the best on us. What do you think? But we knew they weren't going to be on for long. Matter of fact, the bottoms did not stay on that much longer once we started kissing and muff-munching!
